

## Office of Assistant Treasurer U. S., L

New York City, Jan. 6, 1894.

Superintendent,

Mint of the United States,

Philadelphia, Pa.

Sir:-

Referring to your remittance of \$2,000,000 of gold coin of yesterday, I beg to say that this remittance did not reach the office until about 5.20 P. M., considerably later than the usual time for the closing of the vaults of the office. While it is undesirable that such a large amount of coin be left over night with the express company, and while I am anxious to be accommodating, I feel that it is assuming an unusual risk to keep open the vaults of the office, solely for this purpose, after 4 o'clock P. M. I have, therefore, to request that when remittances can not, under ordinary conditions, reach this office before the hour last named, they be postponed.

Very respectfully,

  
Assistant Treasurer U.S.

*Above request rather too formal in tone. I simply desire that if you can't ship early enough in the day to reach us by four P. M. at latest, to hold the shipment over until next day*
